YOU'RE INVITED!

TO THE GRAND OPENING OF THE
EDUCATIONAL RESOURCE CENTER AND
TEEN STEAM LOUNGE AT THE COMMUNITY
LIBRARY OF THE SHENANGO VALLEY

MARCH 24 @ 5:30 PM

Our NEW Educational Resource Center collection provides over 1,600 educational support materials for homeschoolers, cyberschoolers, teachers, and families wishing to supplement their children's learning. It houses everything from playground balls to fraction games, robots to microscopes with sections divided by subject. Interspersed between subjects is art work designed and provided by the community's own HopeCAT Art Department.

Our Teen STEAM Lounge features 3D pens, 3D printers, robots, and much more! Teens will use this space to learn about coding, engineering, robotics, circuits, and design. It serves as a space for creation, exploration, and learning in a fun atmosphere.

So join us March 24, at 5:30 PM as we unveil our New Educational Resource Center and Teen STEAM Lounge! Light refreshments will be provided.

From the New Shelf

Too often, textbooks turn the noteworthy theories, principles, and experiments of psychology into tedious discourse that even Freud would want to repress. Psych 101 cuts out the boring details and statistics, and instead gives you a lesson in psychology that keeps you engaged - and your synapses firing.

From personality quizzes and the Rorschach Blot Test to B.F. Skinner and the stages of development, this primer for human behavior is packed with hundreds of entertaining psychology basics and quizzes you can't get anywhere else.

So whether you're looking to unravel the intricacies of the mind, or just want to find out what makes your friends tick, Psych 101 has all the answers - even the ones you didn't know you were looking for.
